IMPORTANT TAX NOTICE

Federal tax legislation limits the amount of your WSCGA dues that you can use as a business expense deduction on your income tax returns. Associations must estimate the cost of lobbying related activities so they can advise members of the non-deductible portion of their dues.

The estimated portion of your WSCGA dues that is allocable to lobbying activities and that therefore is not deductible for federal income tax purposes is twenty (20%) percent. No portion of your dues is deductible as a charitable contribution.
