IMPORTANT TAX NOTICE

PLEASE RETAIN A COPY OF COMPLETED FORM FOR YOUR RECORDS. THIS FORM SERVES AS YOUR INVOICE. Federal tax legislation limits the amount of WSCGA dues you can use as a business expense deduction on your income tax returns. Associations must estimate cost of lobbying-related activities so members can be advised of the non-deductible portion of dues. The estimated portion of your WSCGA dues allocated to lobbying activities, not deductible for federal income tax purposes, is twenty (20%) percent. No portion of dues is deductible as a charitable contribution.
